Semidetached house in Monte Lentiscal (Las Palmas)

Gilmar offers you this fabulous semi-detached house in Monte Lentiscal, with garden and views to the mountain of Bandama. Ready to move in and with very good communication with the ring road and public transport, walking access to restaurants, supermarkets, etc.. You can access the house both through the main hall and through a direct service access to the kitchen. The distribution of the villa dedicates the upper floors to rest with its three bedrooms, one of them with terrace, plus the independent suite in the attic. The main floor is divided into a living room with parquet flooring and a comfortable kitchen with several rooms and access to the garden. In the garden, along with the barbecue area, there is a separate office or games room and a laundry room. The nearly 150 m² of outdoor area has another very nice corner in the front of the property where you can enjoy the beautiful sunsets of Monte Lentiscal. It is located in a dead end street that provides a plus of tranquility for a large family looking for a comfortable home to live.
